Programme Notes

Today the curtain descends on the Cheshire competitive season with the Colts' Shield Final at Birkenhead between Macclesfield and Birkenhead Park and the County Plate Final between Chester and Crewe & Nantwich here at Pownall Park. The Plate Competition has been well supported by the Clubs in the County and the final will be as keenly contested as that other final at Twickenham yesterday. We congratulate the Cup & Plate Committee for the efficient and smooth running of both competitions and in particular Martin Curphey for his dedication. The Referees and Officials of the Liverpool and Manchester Societies have been most tolerant towards us in spite of the additional load placed upon them by Sunday football, we thank them for their support and today we welcome Brian Bell and his colleagues from the Liverpool Society.

The Wilmslow Club has been most generous to Cheshire this season, allowing us the use of its ground and clubhouse for training and games at all levels of County football and we wish the members all success next year, their centenary season.

The stage is set for the players of Crewe & Nantwich and Chester and we are mere spectators to their game of rugby football which we hope they will enjoy to the full.

Nuclear Energy

An opportunity to hear about
and discuss the role of
Nuclear energy and the
Energy future.

Nuclear energy is a vital topic today, and British Nuclear Fuels Limited has speakers available to give talks, free of charge, on the company's activities and the role of nuclear energy in Britain.

Today, Britain's nuclear power stations produce about 14% of our electricity and this is increasing. BNFL supplies the fuel and fuel cycle services for these stations. The Company's Head Office and design and development complex is at Risley, in Warrington's Birchwood Science Park.

For further information please write to
Community Relations Officer, Information Services,
British Nuclear Fuels Limited,
Risley, Warrington. WA3 6AS.
