5	Cheshire RFU decided to give the Anselmians's 3rd XV a 19.3.5 formal written warning.	15/10/2026	30/04/2028
6	The reasoning for the Caldy position has been clearly explained in their representations.		
7	However, as they have acknowledged, the referee is the independent arbiter, and as such is		
8	the only individual who can abandon a fixture,		
9	a team cannot just take any decision regarding the fulfillment of a fixture into their own hands.		
10	Consequently, Cheshire RFU have concluded that Caldy's 3rd XV receive a 19.3.5 formal written warning.		
11	This warning will sit on Caldy's 3rd XV record till April 30th 2027 and may be relied upon in future
